Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a box, type, and Save As.
- The name line on every student page and the award and family-page blanks are type-in fields. Bookmarks are printed on paper, cut and colored by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit so each bookmark prints 2 inches wide and 6 inches tall. Print on plain paper for coloring, or on cardstock for a bookmark that lasts. The black-and-white pages are ink savers, and every color page also prints in black and white.

Student work

A bookmark with a child's name on it is your own classroom copy. Use a first name only on any page that leaves your hands.

Need help?

If a box will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.

Teacher Tips

Cutting, laminating and running a kindness challenge. Nothing here needs special equipment.

Cutting

- The 4 bookmarks on a page touch, so use a paper cutter if you have one: three long cuts and a trim.
- With scissors, cut the page into four strips first. Each strip is one bookmark. A child who is learning to cut can cut along one straight edge.
- Cut on the thin solid line. A little of the line left on the edge is fine.

Laminating and cardstock

- Print on cardstock, or print on paper and glue the bookmark to a strip of cardstock before cutting it out.
- To laminate, cut the bookmark out and leave a small border of plastic all the way round so the edge stays sealed.
- Coloring with markers or crayons works best on plain or matte paper; laminate after the coloring is done.

Running the kindness challenge

- Give each child a challenge bookmark (pages 13-14). The child colors a circle each time they do one of the five kind acts.
- Pair it with the 20-circle page (18): one colored circle for each kind act, then an award from page 20.
- Pick the acts your class can actually do. Any act on a bookmark can be skipped.

Name and gift bookmarks

- The name bookmarks (page 11) are for a child to keep: write a name on the line, color, cut.
- The To and From bookmarks (page 12) are a thank-you a child colors and gives to a friend, a helper or a family member.

Ways to use them

- Read one saying aloud at the start of the day and talk about what it could look like.
- Use the black-and-white bookmarks for a quiet center, a rainy-day activity or an early-finisher bin.
- Hand out a color bookmark when you notice a child being kind.

Finishing touches

- Punch a hole at the top and tie on a piece of yarn or ribbon for a tassel.
- Store cut bookmarks in an envelope or a small box so a child can choose one.
