Our Read Across America Word Search

Date: _____

Dear family of _____,

This week our class has been finding book and reading words in word searches, fixing mixed-up words, and writing about a favorite book.

Your child's puzzles are coming home. The shape beside the name line tells you the level. A word search is practice with letters and looking carefully, and it is fine for a puzzle to take a while.

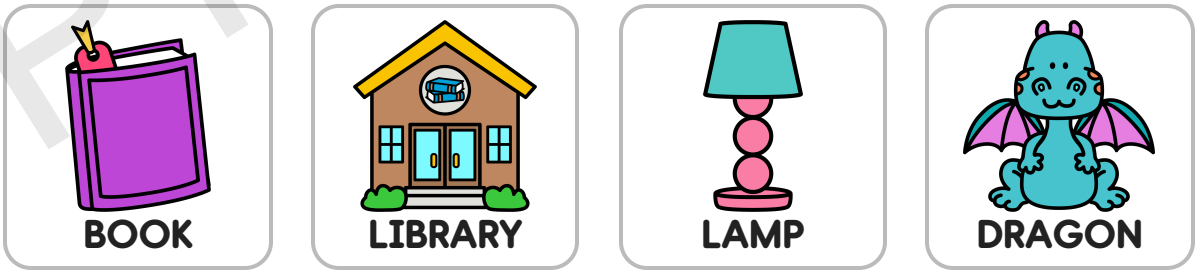
Try it at home

- Read the word list together and point to each first letter.
- Look for a word in the grid with your finger before you circle it.
- Make your own: write 4 words from this week on paper, then hide them in a grid.

This week's words include: book, library, lamp, dragon. Look for these pictures in the puzzles:

Talk about it

- At dinner: "What is a book you would like to read again, and why?"



One book our family likes to read together:
