About Me

K-2 GETTING TO KNOW YOU

One kit of getting-to-know-you pages: the child draws and finishes sentences about favorites, things they can do, and people and places they choose, with the log, class grid and family note around it. Every student page is pencil and crayon work, so none needs scissors or glue.

THREE STEPS

1 Pick a page

Five kinds of page, from one big picture to five sentences to finish. The chart below says which page for which child. Every writing line has the same primary spacing: a solid top line, a dashed midline and a solid baseline.

2 Hand it over

The child draws, then writes. Every answer line starts with printed words (“My name is”, “I can”, “I like”), so the child only finishes it. Click any line in a PDF reader to type a word of your own before you print.

3 Keep it, send it home

Date each page on the log (page 17), roll the group up on page 19, and send the family note (page 20). A filled example is on page 18.

WHICH PAGE, WHEN

WHEN...	USE...
A first page about me, with a big picture	Picture and Me, pages 4, 5, 6
Short answers and small pictures	My Favorites, pages 7, 8, 9
Things I can do, one per row	I Can, pages 10, 11
Drawing the people and places I choose	People and Places, pages 12, 13
Writing the most, five sentences	Finish the Sentences, pages 14, 15, 16

Everything inside (24 pages)

- **13 student pages** in 5 layouts, with 36 drawing boxes in all
- **61 answer lines** that start with printed words, so a child only has to finish them
- **1 writing log** (13 rows), **1 class grid**, **1 filled example**
- **1 family note** with three ways to help at home, **1 phrase bank**
- **1 binder cover**, **6 divider tabs** and a spine label, cut along the dashed lines

Before you print

These pages ask only for favorites, things a child can do, and people and places they choose to name. There is no line for an address, a phone number, a birthday or anything about health. A child may leave any line blank, and you decide what goes on the wall or home.

How to fill this in

Page is the student page's place in this file (the layout it is on is next to its label). Write the date a child finishes it and how many answer lines they finished. A blank means not tried yet, never wrong. Filled example: page 18.

THIS MONTH WE ARE WORKING ON

Lena M. is invented; nothing on this page describes a real student. The blank log is on page 17.
