Our April Fools Word Search

Date: _____

Dear family of _____,

This week our class has been finding silly and funny words in word searches, fixing mixed-up words, and writing about jokes and riddles.

Your child's puzzles are coming home. Each one has a shape beside the name line that tells you the level. A word search is practice with letters, spelling and looking carefully, and it is fine for a puzzle to take a while.

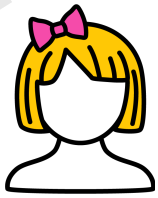

Try it at home

- Read the word list together, then ask your child to point to the first letter of each word.
- Look for a word in the grid with your finger before you circle it.
- Make your own: write 4 words from this week on paper, then hide them in a grid.

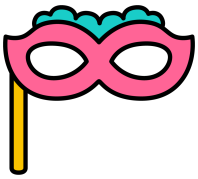

This week's words include: wig, mask, balloon, glasses. Look for these pictures in the puzzles:

Talk about it

- At dinner: "What is the funniest thing you saw today?"
- In the car: "Can you tell me a riddle?"

WIG

MASK

BALLOON

GLASSES

One kind joke our family likes to tell: _____
