ATTENDANCE BULLETIN BOARD

300 NAME CARDS

Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a name line, type, and Save As.
- Every name line on the name cards, the roll sheet and the follow-up log is a type-in field. You can also print any page and write by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit so the name cards keep their size and fit the bus windows. Use cardstock for the bus and the signs; copy paper is fine for the name cards if you laminate them.

What this is

A classroom display and your own working notes. Your school's official attendance steps are separate; this set does not replace them.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update.

Plan the Board

One way to set it up. Your board, your layout.

How the day goes

- **Before school:** put every child's card in a basket, a pocket chart or a row on the absent side.
- **At arrival:** each child finds their name and moves their card onto a bus window.
- **At the morning meeting:** look at the bus. Count the windows with cards. Whose card is still at home?
- **After:** write who came on the roll sheet (page 21). Follow your school's own attendance steps for anyone absent.

Tips

- Hook-and-loop dots or a loop of tape on the back of each card let it stick to a window and come off again.
- Use one card color for each table group, or one color for the whole class.
- Laminate the cards and use dry-erase to change a name from year to year.
- Short on windows? Cards that do not fit can stay in a pocket chart beside the bus.
