Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher and the students in that room.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a box, type, and Save As.
- Every date box, the Month and Year lines and every note box are type-in fields, so you can type on a computer or tablet, or write by hand on the printed page.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit, so the boxes stay big enough to write in. Every page prints in color or in black and white.

Your files

A filled-in page may show your class events. Keep it in your own folder. The example month uses invented events.

Need help?

If a box will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. A fix to the file ships as a free update: re-download it any time from My Purchases.

How to Use

A few notes on the boxes, the year and the printing.

It is undated

- No blank page prints a month name or a year. Type the month name in the Month box and the year in the Year box.
- Leave the Year box blank, or type any year, and the page still works.

How the boxes work

- Each date box is a fillable field. Click into a box, type the date number, and press Tab to go to the next box.
- The notes column has one box for each week row, so a note sits beside its week.
- Save As keeps your copy, so the blank file stays blank for next year.

Print at 100 percent

- Turn off fit to page and shrink to fit, so the boxes stay big enough to write in.
- Every page prints in black and white, and the lines stay dark enough to photocopy.

Use a page again

- Slide a printed page into a plastic sheet protector and write with a dry-erase marker, or print a fresh copy each month.

Share it with a team

- Send the PDF to a colleague as a copy. Each person types into their own Save As copy, so the blank file stays blank.

Skip a month

- Leave a month's page blank if the month is not needed. Each month is its own page, so nothing else moves.

How to write a note

- Write the event first, with its date number, for example "14: Family night."
- Keep it short enough to read from across the room.
- Write the same kind of note the same way each month, so the year is easy to scan.
- Use one name for each event, such as Library day, every time it comes up.

The start and end of the year

- First day of school: ____
- Back to school night on ____
- Winter break starts ____
- Spring break: ____
- Last day of school: ____
