- Every page has a name and date line
- Prints clean in grayscale — no separate B&W file

How a week runs with these

Pick one skill on Monday and print all three levels of it. Everyone gets the same pictures and the same direction line, so you teach it once to the whole group and then walk the room. Twenty-seven worksheets is most of a term at one skill a week, and because nothing here is seasonal you can start the pack in September or in April and it still fits.
