Terms of Use

Please read before you print your first page.

One teacher license

- This file is for one teacher and the students in that teacher's classroom.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- Every name, message and from line is a type-in field. You can also print a page and write on it by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Every page is US Letter, portrait. Turn off fit to page and shrink to fit so the cards and banner letters come out full size. Card stock or bright paper makes them feel special.

Names in a saved file

A name you type stays in the file when you save it. If you save a copy for a class, keep it where your school keeps student information, and follow your school's rules for what is saved and shared.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.
