CHANGE OF CLOTHES NOTE

Parent letter, cut-apart notes and class log - PreK-3

Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher and the students in that room.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF. It is NOT a slide deck or a document file.

- Open it in Adobe Acrobat Reader, Preview, or a web browser. Click a line and type.
- Save a copy under a new name before you close it, so the names you typed stay in that copy.
- Or print it and write by hand. Every page still reads in black and white.

Print at 100 percent

Turn off fit to page and shrink to fit so every note keeps its size. Use copy paper or cardstock. Cut on the solid lines.

Student information

A note carries a student's name and a date. Keep the class log with your other classroom records, and share a note only with that student's family.

What this is

Notes about the clothes kept at school. They name what to send, what went home and what to return. Your school's rules about clothing stay separate. Write them on the blank line on page 3.

The example students and the teacher on pages 11 and 13 are invented and say so on the page.

Need help?

If a page will not print the way you expect, use Ask a Question on the product page. We are glad to help.

Print one test page first, then print the rest of the set.

How to Use This

Four short steps, and what this set is and is not.

Type or write

- Click a line and type the name, the date and your name.
- Or print the page and write on the line.
- A line you leave empty prints empty.

Print

- Print at 100 percent.
- Copy paper works. Cardstock keeps the notes stiff.
- Use the black-and-white sheet to save ink.

Cut

- Cut on the solid lines.
- Six notes a sheet, eight labels. Each cut is one straight line.
- Fold a note once if it goes in a backpack.

Log

- Write each bag on the class log (page 12).
- Fill in the date it went home, and the date it came back.
- A filled example is on pages 11 and 13.

Keep a master copy

- Keep one clean copy of the file. Save a new copy for each class or each year.
- Print one sheet first and check the lines and the cut lines before you print a stack.
- Re-print a sheet any time. Nothing on the sheet changes when you print it.

What this is, and what it is not

- A letter, notes and a log about the clothes kept at school: what to send, what went home, what to return.
- The notes have no line for a reason. They do not record health information.
- This is a fillable PDF. It is NOT a slide deck or a document file.
- Every student and teacher in the examples is invented.

Our rule (your team writes it)

Write what your school does about extra clothes on the lines below. This set does not state a rule.
