Christmas Articulation: Start Here

What's inside

- **5 sounds in 8 sets by position** (start: K, S, T; middle: N, L; end: L, T, N). Position means where the sound is in the word: start, middle or end.
- **8 tree pages**: a big Christmas tree with an ornament for each word, **51 outline pictures** to color in all, every one labeled; five circles under each word and a line of 5 days to color
- **8 Say & Find pages**: a busy scene with the same words, each once, and 4 pictures from other sounds to skip; the child says a word 5 times, finds it and colors it
- A sounds-and-words list (page 3) and a colored-in example (page 4)
- A class tracker (page 21), a sound-folder organizer: binder cover, spine and 8 divider tabs (pages 22-25), a practice chart (page 26), a family note (page 27), a what's-next page (page 28), credits (page 29)

Three steps

- 1. **Pick the sound and the position.** You decide which sound and which words a child practices; follow your own plan. Pages 5-20: for each sound a tree page, then a Say & Find page.
- 2. **Say it, then color it.** The child says a word five times, colors a circle for each time, then colors the picture on its ornament. The circles are a place to count, not a score.
- 3. **Keep it or send it home.** The tree page has a line of 5 days to color a star on and a spot for a grown-up's initials. The family note (page 27) has a blank for your plan.

Which page for which job

- **Center or early finisher**: the tree page or the Say & Find page, one per child.
- **Homework**: the tree page plus the family note; staple the two.
- **Small group**: everyone colors a different ornament from the same tree while you listen to the words.
- **Notes**: the tracker (page 21) shows which sounds each child has had pages for.

What this is, and is not

A print-and-color set of black-and-white pictures for speech and language practice. Every word is a Christmas, winter, toy or cozy-home word. It has no assessment and no scoring, and it does not tell you how to teach a sound or when a child is ready; the district's rules and your own plan do that. Words are sorted by how they sound, not how they are spelled: candle and cookies start with the K sound, and Santa has the N sound in the middle. Only the sounds and positions listed are in this set.
