Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher and the students in that room.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF. It is NOT a slide deck or a document file.

- Open it in Adobe Acrobat Reader, Preview, or a web browser. Click a line and type.
- Save a copy under a new name before you close it, so the names you typed stay in that copy.
- Or print it and write by hand. Every page still reads in black and white.

Print at 100 percent

Turn off fit to page and shrink to fit so every tag keeps its size. Use cardstock for the cut sheets if you have it. Cut on the solid lines.

Student names

A tag carries a student's name. Keep your own list of who received a gift, with your other classroom records.

What this is

Gift tags for the holiday season, with the word Christmas on them. Your school's rules for gifts and food stay separate; write them on the blank line on page 4.

The example students on page 5 are invented and say so on the page.

Need help?

If a page will not print the way you expect, use Ask a Question on the product page. We are glad to help.

Print one test page first, then print the rest of the set.

Teacher Directions

For you, not the student. Four steps and what these tags are not.

Choose

- Pick the saying that fits the gift. The gift ideas on the next pages pair a small gift with a tag.
- Use the black and white sheet to save ink, or the short tags for a pencil.

Write

- Type the To and the From, or write them. Put your own name on the From line.
- A student can fill the write-your-own sheet with help.

Cut

- Cut on the solid lines. Each cut is one straight line.
- Punch a hole in a top corner, then thread ribbon, yarn or string.

Give

- Tie a tag to the gift, or tape it to a bag.
- Mark the student on the class checklist (page 12).

What these tags are, and what they are not

- A tag to say who a gift is to and who it is from, with a kind word on it.
- Not a school policy and not a plan for any student. Every name in the examples is invented.
- This is a fillable PDF. It is NOT a slide deck or a document file.

Your school's rule for gifts (your team writes it)

Write what the school asks about gifts and food, or leave it blank. This set does not state one.
