Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- The name line, every answer box, every ruled work box and every check box on the student pages are type-in fields, and so are the tracker, class grid and family page. You can also print any page and write by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit so the ruled lines stay 0.34 inch apart. Every page reads when copied in black and white. The color page is made for crayons.

Student work

A filled-in tracker, class grid or team note carries a real student's name. Keep it in the data folder, and use a first name only on any page that leaves your hands.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page. Every question is read, and a fix ships as a free update.

How to fill this in

For each column, add up how many items that student has right with no prompt (the tracker rows). One glance across a row shows which version the student is ready for.

Grouping for small-group time

Students low on the word-bank page start with the labeled map (page 4) beside them. Students near full marks move to the no-bank page (page 6) and the writing page (page 13).

Maps and the World at Home

Dear family, this week we are learning the seven continents and five oceans on a blank world map. These questions are for talking, not for a grade. Short answers are fine.

Student _____ Week of _____

Three things to talk about

- Ask your child to name the seven continents and the five oceans. Which is the biggest of each? Say it together.
- Ask: "Which continent do we live on? Which ocean is closest to us?" Use a globe, an atlas or a map on a phone.
- Ask: "If we walked to the top of the map, which way would we go?" Point to north on the compass rose.

My words from home

A continent we found on the map _____

An ocean we found on the map _____

A place I want to visit _____

Words that may come up

Continent: a very large area of land. **Ocean:** a huge body of salt water. **Map key:** the box that tells what the colors mean. **Compass rose:** the picture of north, east, south and west on a map.
