

CONTINENTS & OCEANS

Seven continents, five oceans — matching, fill in the blank and Circle It. Fillable PDF.

START HERE QUICK START

One complete kit for the seven continents and five oceans: matching, filling in the blank and choosing the correct name — every student answer is written or circled in pencil, nothing is cut or glued on a student page, and no map or globe graphic appears anywhere in the file.

THREE STEPS

- Meet the names**
Page 5 lists all seven continents and five oceans with one simple fact each. Read it with a student before the first worksheet.
- Pick a format**
Three ways to practice: matching (write the letter), fill in the blank, and circle the correct name. The chart below says which page for which set.
- Track it, roll it up, send it home**
The answer keys are pages 15 and 16. Date each name on the tracker (page 17), roll the class up on page 18, and send the family note home (page 19). A filled example is on page 21.

WHICH PAGE, WHEN

WHEN...	USE...
New to matching a fact to a name	Match It, pages 7, 8 (continents), 9, 10 (oceans)
Ready to recall the name from memory	Fill in the Blank, pages 11 (continents), 12 (oceans)
Ready to choose between two names	Circle It, pages 13 (continents), 14 (oceans)
Opening a whole-class discussion	Geography Center / Meeting Starter, page 20
Writing a family update or discussion prompt	Family note, page 19 - phrase bank, page 22
Setting up a binder for this file	Binder cover and divider tabs, pages 23-24

Everything inside (25 pages)

- 8 student pages: 4 matching sets (2 continents, 2 oceans), 2 fill-in-the-blank pages and 2 circle-it

What this is not

Not a map-skills or atlas unit; no map or globe graphic appears anywhere. Every fact is plain, widely-taught.

CONTINENTS, SET MATCH IT

My name: _____ Date: _____

Read each fact. Write the letter of the continent or ocean it describes.

a. Africa b. Antarctica c. Asia d. Australia e. Europe f. North America g. South America

- the smallest continent on Earth
- home to Canada, the United States, and Mexico
- connected to Asia, so together they form one giant landmass
- the largest continent on Earth
- the coldest continent on Earth

CONTINENTS FILL IN THE BLANK

My name: _____ Date: _____

Read each sentence. Write a name from the box to finish it.

Word bank: Africa Antarctica Asia Australia Europe North America South America

- The Sahara, the world's largest hot desert, is in _____.
- _____ is the coldest continent on Earth.
- _____ is the largest continent on Earth.
- _____ is the smallest continent on Earth.
- _____ is connected to Asia, so together they form one giant landmass.

OCEANS CIRCLE IT

My name: _____ Date: _____

Read each fact. Circle the name it describes.

- This is the smallest ocean, and it is found at the North Pole.
Indian Arctic Pacific Atlantic
- This is the largest and deepest ocean on Earth.
Pacific Atlantic Arctic Southern
- This ocean lies between the Americas and Europe and Africa.
Atlantic Pacific Arctic Southern
- This ocean surrounds Antarctica.
Arctic Southern
- This ocean touches Africa, Asia, and Australia.
Indian Southern

THIS MONTH WE ARE FOCUSING ON

EXAMPLE MICAH'S TRACKER

Micah R. is invented, nothing on this page describes a real student. The blank tracker is on page 17.

CONTINENT / OCEAN	MATCHING (DATE)	FILL-IN (DATE)	CIRCLE IT (DATE)
Africa	-	-	-
Antarctica	9/9	9/9	-
Asia	9/5	9/5	9/8
Australia	9/15	-	-
Europe	9/22	9/22	9/22
North America	9/29	9/29	10/2
South America	-	-	-
Pacific	9/12	9/12	9/12
Atlantic	9/19	9/19	-
Indian	-	-	-
Southern	10/3	-	-
Arctic	9/26	9/26	9/26

How to read it:
Micah R. has all three formats done for 8 of 12 names: Asia, Europe, North America, Pacific, Arctic. Started but not yet finished: Antarctica, Atlantic (needs Circle It) and Australia. Southern (matching only, still needs Fill-in and Circle It). Not started: Africa, South America, Indian.

The family note this tracker would produce
"So far this fall Micah R. has fully learned 5 of our 12 continents and oceans, with 4 more started. Not yet started: Africa, South America, Indian." — every fact in it is a row of the table above.

Fillable PDF

25 Pages

7 Continents

5 Oceans

One complete kit for the seven continents and five oceans: matching, filling in the blank and choosing the correct name — every student answer is written or circled in pencil, nothing is cut or glued on a student page, and no map or globe graphic appears anywhere in the file.

THREE STEPS

1 Meet the names

Page 6 lists all seven continents and five oceans with one simple fact each. Read it with a student before the first worksheet.

2 Pick a format

Three ways to practice: matching (write the letter), fill in the blank, and circle the correct name. The chart below says which page for which set.

3 Track it, roll it up, send it home

The answer keys are pages 15 and 16. Date each name on the tracker (page 17), roll the class up on page 18, and send the family note home (page 19). A filled example is on page 21.

WHICH PAGE, WHEN

WHEN...	USE...
New to matching a fact to a name	Match It, pages 7, 8 (continents), 9, 10 (oceans)
Ready to recall the name from memory	Fill in the Blank, pages 11 (continents), 12 (oceans)
Ready to choose between two names	Circle It, pages 13 (continents), 14 (oceans)
Opening a whole-class discussion	Geography Center / Meeting Starter, page 20
Writing a family update or discussion prompt	Family note, page 19 · phrase bank, page 22
Setting up a binder for this file	Binder cover and divider tabs, pages 23–24

Everything inside (25 pages)

- **8 student pages:** 4 matching sets (2 continents, 2 oceans), 2 fill-in-the-blank pages and 2 circle-it pages, one a domain
- **48 fact sentences** in all, every one checked and never repeated in the file
- **2 answer keys** generated from the same data as the pages, **1 tracker** and **1 class grid**
- **1 family note, 1 geography center / meeting starter, 1 filled example, 1 phrase bank**
- **1 binder cover, 7 divider tabs** and a spine label, cut along the dashed lines

What this is not

Not a map-skills or atlas unit; no map or globe graphic appears anywhere. Every fact is plain, widely-taught geography, checked before it was written. Page 4 shows how each page works.

MEET THE CONTINENTS AND OCEANS

A plain, generic fact about each of the seven continents and five oceans this file practices. No map or globe graphic is used anywhere in this product.

THE SEVEN CONTINENTS

CONTINENT	ONE SIMPLE FACT	A SECOND FACT
Africa	home to the Sahara, the world's largest hot desert	the second largest continent on Earth
Antarctica	the coldest continent on Earth	covered almost entirely in ice
Asia	the largest continent on Earth	home to Mount Everest, the world's tallest mountain
Australia	the smallest continent on Earth	a continent that is also just one country
Europe	connected to Asia, so together they form one giant landmass	home to the Alps mountain range
North America	home to Canada, the United States, and Mexico	home to the Rocky Mountains
South America	home to the Amazon, the world's largest rainforest	home to the Andes, the longest mountain range on land

THE FIVE OCEANS

OCEAN	ONE SIMPLE FACT	A SECOND FACT
Pacific	the largest and deepest ocean on Earth	an ocean that touches both Asia and the Americas
Atlantic	the ocean between the Americas and Europe and Africa	the second largest ocean on Earth
Indian	the ocean that touches Africa, Asia, and Australia	an ocean that lies south of Asia
Southern	the ocean that surrounds Antarctica	the ocean closest to the South Pole
Arctic	the smallest ocean, and the one found at the North Pole	an ocean covered in ice for much of the year

The letters on the matching pages

Continents a-g: a = Africa, b = Antarctica, c = Asia, d = Australia, e = Europe, f = North America, g = South America. Oceans a-e: a = Pacific, b = Atlantic, c = Indian, d = Southern, e = Arctic.

Where each name shows up again

Fill in the Blank and Circle It each give both domains their own page (pages 11 and 12); the tracker (page 17) and class grid (page 18) use these same twelve names.

My name: _____

Date _____

Read each fact. Write the letter of the continent or ocean it describes.

a. Africa b. Antarctica c. Asia d. Australia e. Europe f. North America g. South America

1 the smallest continent on Earth

2 home to Canada, the United States, and Mexico

3 connected to Asia, so together they form one giant landmass

4 the largest continent on Earth

5 the coldest continent on Earth

6 home to the Sahara, the world's largest hot desert

7 home to the Amazon, the world's largest rainforest

My name: _____ Date _____

Read each sentence. Write a name from the box to finish it.

Word bank

Africa Antarctica Asia Australia Europe North America
South America

1 The Sahara, the world's largest hot desert, is in _____.

2 _____ is the coldest continent on Earth.

3 _____ is the largest continent on Earth.

4 _____ is the smallest continent on Earth.

5 _____ is connected to Asia, so together they form one giant landmass.

6 Canada, the United States, and Mexico are three countries in _____.

7 The Amazon, the world's largest rainforest, is in _____.

My name: _____

Date _____

Read each fact. Circle the name it describes.

1

This is the smallest ocean, and it is found at the North Pole.

Indian

Arctic

2

This is the largest and deepest ocean on Earth.

Pacific

Atlantic

3

This ocean lies between the Americas and Europe and Africa.

Atlantic

Pacific

4

This ocean surrounds Antarctica.

Arctic

Southern

5

This ocean touches Africa, Asia, and Australia.

Indian

Southern

THIS MONTH WE ARE FOCUSING ON

When to move a name to the class grid

Once a continent or ocean has all three dates recorded here, move it to the class grid (page 18) and free this page for a name that still needs individual tracking.

Micah R. is invented; nothing on this page describes a real student. The blank tracker is on page 17.

STUDENT

TEACHER

MONTH

Micah R. (an invented student)

Mr. Alvarez (invented)

September–October

CONTINENT / OCEAN	MATCHING (DATE)	FILL-IN (DATE)	CIRCLE IT (DATE)
Africa	–	–	–
Antarctica	9/9	9/9	–
Asia	9/5	9/5	9/8
Australia	9/15	–	–
Europe	9/22	9/22	9/22
North America	9/29	9/29	10/2
South America	–	–	–
Pacific	9/12	9/12	9/12
Atlantic	9/19	9/19	–
Indian	–	–	–
Southern	10/3	–	–
Arctic	9/26	9/26	9/26

How to read it

Micah R. has all three formats done for **5 of 12** names: Asia, Europe, North America, Pacific, Arctic. Started but not yet finished: Antarctica, Atlantic (needs Circle It) and Australia, Southern (matching only, still needs Fill-in and Circle It). Not started: Africa, South America, Indian. Every number comes from the table above.

The family note this tracker would produce

“So far this fall Micah R. has fully learned 5 of our 12 continents and oceans, with 4 more started. Not yet started: Africa, South America, Indian.” — every fact in it is a row of the table above.

What's next for Micah

Start Africa, South America and Indian (page 7 for Set A matching). Give Antarctica and Atlantic their Circle It page (page 13). Australia and Southern need Fill in the Blank next (page 11). Asia, Europe, North America, Pacific and Arctic are ready for the class grid (page 18) instead of the individual tracker.

THANK YOU FOR USING THIS RESOURCE

Everything here was built for the teacher who has twelve names to teach and a room of children who each need a different amount of practice with them.

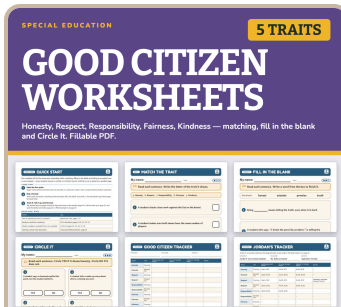

If this helped, leaving feedback on TPT helps other teachers find it.

Something missing or wrong?

Please use the **Ask a Question** tab on the product page first — every question is read, and a fix to the file is a free update you re-download from **My Purchases**.

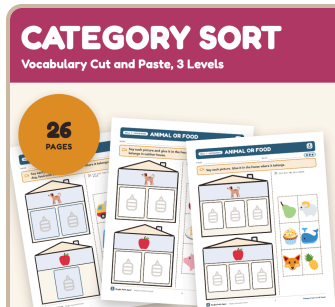

WHAT'S NEXT FROM THIS STORE

More K-2 worksheets and sorts from the same store, at the same low-prep pencil-and-paper shape.

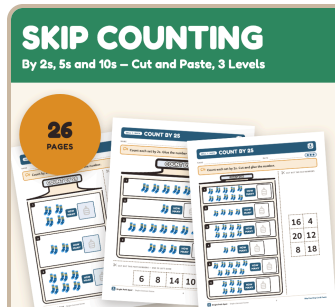

Good Citizen Worksheets, K-2

The same worksheet shape, for five classroom citizenship traits: matching, fill in the blank, and Circle It.

Category Sort Cut and Paste, 3 Levels

A cut-and-paste sorting activity for category skills, at three levels.

Skip Counting Cut and Paste, 3 Levels

Counting by 2s, 5s and 10s, cut and paste, at three levels.

Syllable Sort Cut and Paste, 3 Levels

A cut-and-paste sorting activity for syllable counting.

Part of the K-2 Classroom Content and Social Skills collection — new products in this collection are added regularly. Click **Follow** on the store page and TPT will email you when they go up.
