This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- The name and date on every student page, the check-off chart, the practice log, the family note and every notes area are type-in fields. The practice rows are for a pencil.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit, so the rows print at their true size. Every row is black or gray, so the pages photocopy.

Student work

A filled-in check-off chart or log carries a student's name. Keep it in the data folder, and use a first name only on any page that leaves your hands.
