Daily Behavior Note Home - Student My Day Check

Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher and the families of that class.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click a line, type, and Save As.
- Every line is already a type-in field. Print it for paper notes, or type into it first.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit. The notes use big faces and thick lines, so they still read when photocopied in black and white.

Notes carry a student's name

Every note has a name line. Send each note home in a folder or an envelope, and keep the printed copies off the hallway wall. Follow your school's own rules for records.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.

How to Use the Notes

Five steps, a few print tips, and what to leave off the note.

Five steps

1. Set the goals once on the set-up sheet (page 5), in words a family can picture.
2. Print the note you want, or type into it first. Each goal gets one face: Great, Okay or Try again.
3. Write one comment line, then send the note home in a folder.
4. The family writes initials and a reply, and returns it the next school day.
5. On Fridays, add the week to the roll-up tally (page 12).

Print and type tips

- Half-page sheets hold two notes each. Print them, then trim along the dashed line.
- Black and white printer? Every face is outlined, so the notes print with no color at all.
- Comment bank on page 13: write what you saw or heard, not a label.
- Save As after you type, so next year's goals start from a clean copy.

Keep it to school

- Do not write health or medical details on a note. Use your school's health forms for those.
- Keep the notes to what happened at school today.

Words for the family letter

Which note when?

- A whole day with four goals: the full-page note (page 7).
- Parts of the day, from arrival to going home: page 8.
- One or three goals on one sheet: page 9 or page 10.
- A whole week at a glance: the weekly one-pager (page 11).

Good timer work this morning. The break card is still hard, so we will practice it at home.
