DISGUISE A TURKEY

Disguise a Turkey Week — Start Here

Read the same book every day. Do one activity a day. Pull the page and go.

This week

- [ ] Read **a turkey story from your classroom library** at circle time every day this week. Children love the repeat, and each day they join in more.
- [ ] After the story, do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **hide** all week: point to it on the talker or core board every time it comes up in the story.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Glue the turkey on the page first. Pick a helper hat and glue it on the turkey's head: firefighter, chef, farmer or builder. Glue the hammer in the turkey's wing. Can the turkey hide in town? Swap hats to be a new helper.
