- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

## This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a name, date or title box, type, and Save As.
- The name and date on every student page, the title boxes, the publishing log, the family note and every notes area are type-in fields. The ruled lines are for handwriting.
- It works offline once downloaded.

## Print at 100 percent

Choose actual size and turn off fit to page, so the lines are the size shown on the chooser (pages 4-5). Every page prints on letter paper (8.5 by 11 inches). The borders print in color, and every page also prints clean in black and white.

## Student work

A filled-in publishing log carries a student's name. Keep it in the data folder, and use a first name only on any page that leaves your hands.
