HOW IT WORKS

HOW TO USE THIS FREE SHEET

THE PARTS OF A PAGE

The grid
Rows of lowercase letters, 4 x 4 up to 6 x 6. Every word is hidden across (left to right) or down (top to bottom). A word is never hidden backwards.

pie

The words to copy
Under the grid, each word is printed with a box of lines to copy it on after finding it.

Circle it
The child circles the whole word in pencil, the way the rings on page 4 show.

●●

The dots
One, two or three dots in the corner of a page. They say how much there is to do, never how the child is doing.

THE THREE PUZZLES AND THE PRACTICE PAGE

PAGE	DOTS	GRID	WORDS	HIDDEN
4	●	4 x 4	2	across and down (practice)
5	●	4 x 4	3	across only
6	●●	5 x 5	4	across and down
7	●●●	6 x 6	5	across and down

This is the free version

Three puzzles, 12 words and one answer key, printed and ready. The paid Veterans Day Word Search has 8 puzzles, 37 words and 5 formats (Word Search, Find and Circle, Missing Letter, Find, Cut and Glue, Make Your Own), plus a tracker, a class grid, a team note, a home page and a filled example. It is listed in this store under Veterans Day Word Search.

What the puzzles check for

In code, for every grid: each word is there exactly once, nothing else spells it, and the filler letters make no other word of three or more letters across or down. The answer key (page 8) comes from the same placement data as the pages.

Ways to use it in your room

- Read the word bank aloud together before anyone starts, so every child knows what to look for.
- Let a child who finishes early read each circled word aloud to you, then start the next puzzle.
- Pair children up: one finds and circles, the other reads each circled word aloud. Then they swap pages.
- Print the practice page (page 4) first for a child who is new to searching a grid, then the 5 x 5 or 6 x 6 puzzle.
- Keep the answer key (page 8) face down; the key is for the adult, not for the child's desk.
- Print at actual size, not fit to page, so every grid keeps its square shape and the letters stay even.

THANK YOU FOR USING THIS RESOURCE

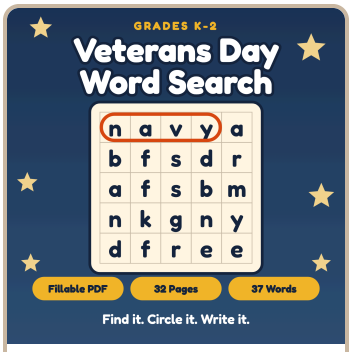

Everything here was built for the teacher who has a table of children who each need a different amount of support finding and writing words for Thanksgiving. If this helped, an honest rating on TPT helps other teachers find it.
