Read the same book every day. Do one activity a day. Pull the page and go.

Best in February — week 2 of a preschool circle-time year.

This week

- ☐ Read *your favorite friendship or Valentine read-aloud* at circle time every day this week. Children love the repeat, and each day they join in more.
- ☐ After the story, do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- ☐ Teach the core word **little** all week: point to it on the talker or core board every time it comes up in the story.
- ☐ Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- ☐ Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare:
 - starting (errorless matching), ■ building, ▲ ready for more.
- ☐ Print the color pages, or use the ink-saver pages at the back on a photocopier.
