GINGERBREAD HOUSE CRAFT

Gingerbread House Craft Week — Start Here

Do one activity a day. Pull the page and go.

This week

- [ ] Start each day at circle time with the pictures and words on the vocabulary cards. Children love the repeat, and each day they join in more.
- [ ] Then do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **see** all week: point to it on the talker or core board every time it comes up during the day.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Color the house, the door, the wreath, the two windows, the gumdrops, the peppermint and the candy cane. Cut out every piece. Glue the door and the wreath on the lower floor, the windows on the upper floor, and the candy anywhere on the roof and walls. Stand it up or glue it to a sheet of paper. Name your house and say what you made!
