GOLDILOCKS AND THE THREE BEARS

Goldilocks and the Three Bears Week — Start Here

Read the same book every day. Do one activity a day. Pull the page and go.

This week

- [ ] Read *Goldilocks and the Three Bears* at circle time every day this week. Children love the repeat, and each day they join in more.
- [ ] After the story, do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **sit** all week: point to it on the talker or core board every time it comes up in the story.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Glue the big body down. Glue the head on top of the body, then the left and right ears on the head. Add the left and right arms to the body, the left and right eyes, the snout, the nose and the bow tie. Last, glue the bowl on the tummy. Left and right are as you look at the page. Your bear is built!
