HANUKKAH COLORING PAGES

PRE-K TO 2

Bright Path Sped

Hanukkah Coloring: Start Here

What's inside

- **18 coloring pages** with one big picture each, or a count of pictures to color (pages 3-20)
- **6 starting pages** ● one big picture (pages 3-8)
- **6 building pages** ■ count and color (pages 9-14)
- **6 ready-for-more pages** ▲ color, trace and write (pages 15-20)
- **A color-the-name page** (page 21) and **a trace-the-word page** (page 22)
- A family letter (page 23), a class tracker (page 24), credits (page 25)

Three levels, marked with a shape

- ● **Starting** One big picture with a heavy outline. The word is printed under it, with a line to copy it on.
- ■ **Building** Count and color: a number of pictures to color, one by one.
- ▲ **Ready for more** Color the picture, trace its word, then write the word on the two lines.

The shape sits next to the name line, not a number, so children are not comparing papers. Hand each child the level that fits today.

A finished page

The menorah at the top is colored in, the way a child might finish it. The picture is the whole page; there is nothing to fill in but the color.

Ways to use it

- **Center or early finisher:** print the level that fits each child; crayons, markers or colored pencils.
- **Take home:** staple a few finished pages with the family letter (page 23).

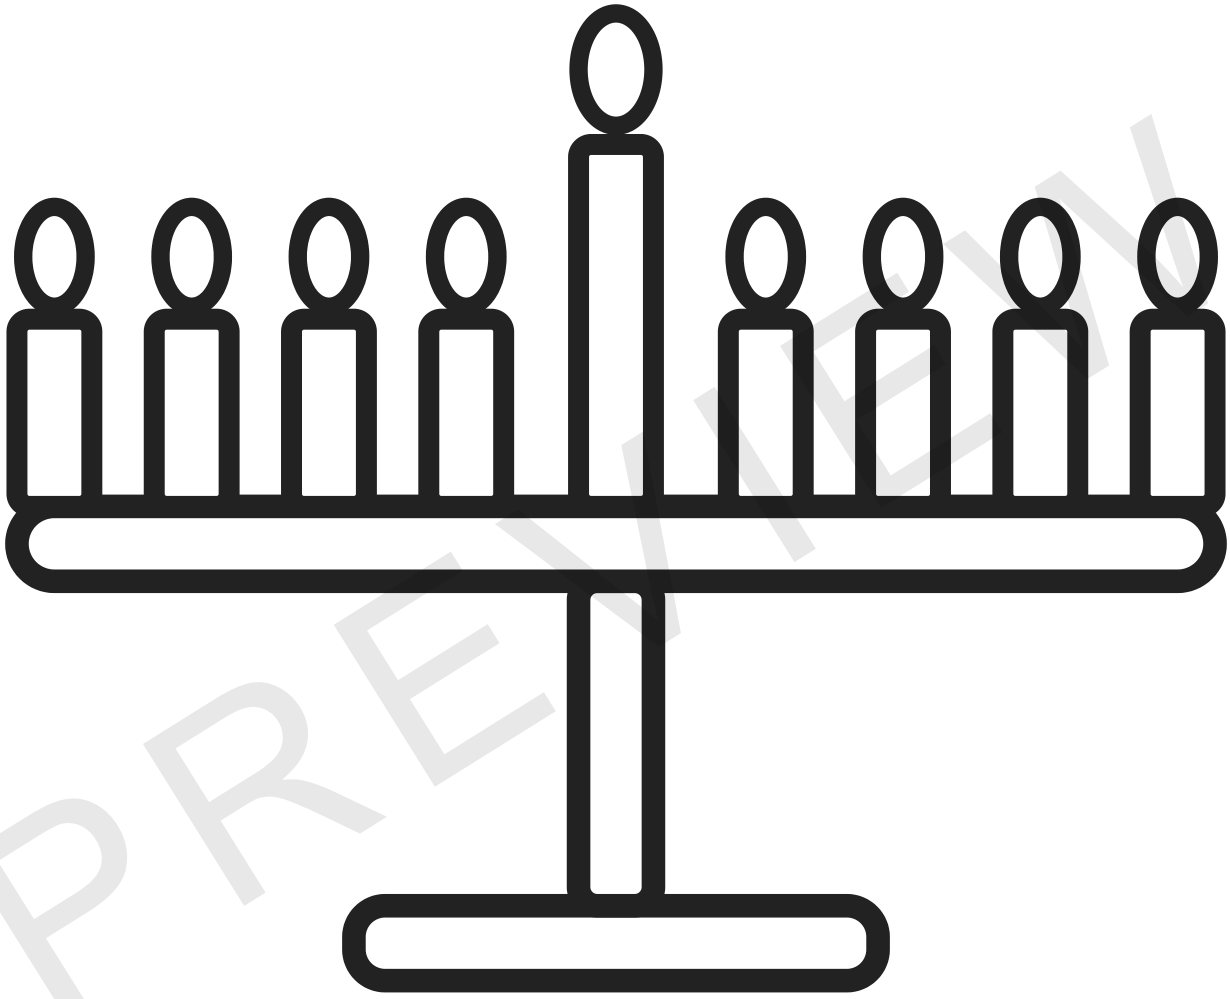

Every page is line art, so it prints light. The **doughnut** pages show sufganiyot (jelly doughnuts), and the **coins** pages show gelt.

Our Hanukkah Week

Date: _____

Dear family of _____,

This week our class colored a menorah, candles, coins, doughnuts, a dreidel and latkes. Your child's pages are coming home.

Some pages have one big picture and some have a count to color, so each child colors at the level that fits today.

Try it at home

Ask your child to name one picture from this week, then write it on the line:

_____

_____

Our favorite page from this week:

Tape or staple one finished page here, or draw it.

Talk about it

- At dinner: "Which of these pictures would you color first? Why?"
- On a walk: "Can you count the candles, or the coins, or the doughnuts?"
- At bedtime: "What is the name of the spinning top?"

From _____ Questions? _____
