Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a name or date line, type, and Save As.
- The name and date on every student page, the writing log, the family note and every notes area are type-in fields. The boxes and ruled lines are for handwriting.
- It works offline once downloaded.

Print landscape, at 100 percent

The student pages are sideways (11 by 8.5 inches). Choose landscape and turn off fit to page, so the lines are the size shown on the chooser (page 4). The teacher pages are upright. Every student page is black and gray with a light border, so it photocopies.

Student work

A filled-in writing log carries a student's name. Keep it in the data folder, and use a first name only on any page that leaves your hands.
