Read the same book every day. Do one activity a day. Pull the page and go.

This week

- ☐ Read ***How to Catch a Turkey*** at circle time every day this week. Children love the repeat, and each day they join in more.
- ☐ After the story, do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- ☐ Teach the core word **try** all week: point to it on the talker or core board every time it comes up in the story.
- ☐ Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- ☐ Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare:
 - starting (errorless matching), ■ building, ▲ ready for more.
- ☐ Print the color pages, or use the ink-saver pages at the back on a photocopier.
- ☐ **Day 5 craft:** Glue the trap beside the turkey first, tipped up just like she left it. Then glue the coiled rope next to it, scatter the corn trail in front, and set the basket down last. She outsmarted this trap — now try building your own!
