Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line, a box or a table cell, type, and Save As.
- Every name and date line, every table cell and every notes area on a cover, label, log or checklist is a type-in field. In a mark column, type X or Yes, or print the page and check it by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit. Every line is black or gray and every box is drawn in line, so the pages photocopy in black and white. Print the front cover and the back labels on card stock.

A folder has a child's name on it

Keep filled-in logs where your school keeps student records, and follow your school's rules for what goes home. The pages say what is owed and leave the decisions to you.

Oct 16	Math	Fact sheet	Oct 17	Oct 17	–
Total	–	–	–	4 in	2 owed

Items owed (count)	Turned in (count)	Still owed (count)
6	4	2

Sentence for the family note

Sam R. turned in 4 of 6 missing items this week. Still owed: Paragraph about a pet (due Oct 15); Plant diagram (due Oct 17).

How these counts were made

- Items owed is the number of rows: 6.
- Turned in is the rows with a date in that column: 4. Still owed is the rows marked Yes: 2.
- Turned in and still owed add up to items owed: 4 + 2 = 6.
