PICTURE BOARDS & CALLING CARDS

Lotería: Spanish Picture Bingo

36 picture words 30 boards color and ink saver

What's inside

- **36 calling cards** (pages 7-10): one picture, its number and its Spanish word with el or la
- **30 boards** (pages 11-40), 4 by 4, 16 pictures each, no two alike; the same 30 in black and white (pages 45-74) with black-and-white cards (pages 41-44)
- Word list with English (page 3), call sheet with three orders (page 4), worked example (page 5), student word page (page 6), tokens (page 75), note home (page 76)

Set up

Print one board per player and the four calling-card pages; cut the cards on the dashed lines (three straight cuts each way). Print the tokens page or use beans or counters. Laminate for all-year use.

How to play

1. Give each player a board and tokens. The caller shuffles the cards or follows an order on the call sheet.
2. The caller turns a card, says the word with its article (**el gato**) and shows the picture. Players say it back.
3. A player who has that picture covers it. The caller ticks the word on the call sheet.
4. A row, a column, a diagonal or the four corners wins. The winner calls **¡Lotería!** and reads the four words; check them on the call sheet. Play for a full board when there is time.

Three ways to level it

- **Starting**: say the word and show the picture; players cover by matching the picture.
- **Building**: say the word only, then show the picture after a count of three.
- **Ready for more**: say the word only; a player must say it back (with el or la) before covering.

About the pictures

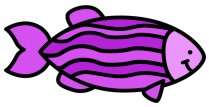

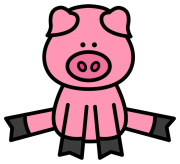

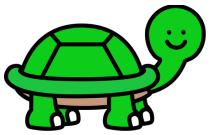

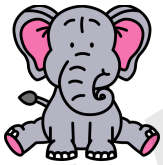

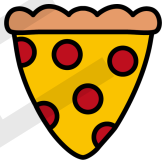

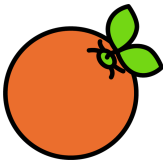

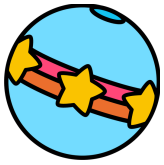

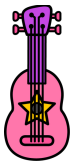

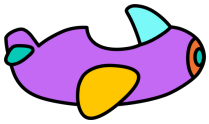

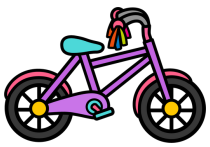

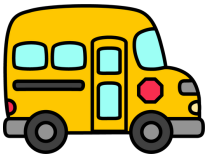

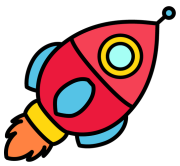

A classroom vocabulary deck of 36 everyday words in four groups (animals, food, home, things that go), with kid-friendly clip art by Whimsy Clips. It is not the traditional printed game and copies none of its figures: every card is a word a young child can name and say.
