QUICK START

One kit for the first week back and the weeks after it: twelve goal prompts for children in grades 1 to 5 to say what they want to do this year, plan a small step and look back at how far they have come. Every student page is pencil work, so no student page needs scissors or glue.

THREE STEPS

1. **Pick a layout**
   Four layouts, from one picture and three lines to a full eight-line draft. The chart below says which page for which child. Page 4 is a word page and page 17 is a goal tracker.

2. **Hand it over**
   Each page asks one goal question. The child says it out loud, then writes. On 9 pages a starter is already printed (for example "Do not give up because", "First,", "I used to"). Click any line in a PDF reader to type a starter or a word of your own before you print.

3. **Log it, send it home**
   Date each page on the log (page 18), roll the group up on page 20, and send the family note (page 21). A filled example is on page 19.

WHICH PAGE, WHEN

WHEN…	USE…
One picture, then "This year I want to…"	I Want To, pages 5, 6, 7
Turning a goal into steps and helpers	My Plan, pages 8, 9, 10
Looking back at what a child can do now	Then and Now, pages 11, 12, 13
Writing a whole resolution in order	Write It, pages 14, 15, 16
A child needs the words	Goal Words, page 4 · phrase bank, page 22
Keeping going all month	Goal Tracker, page 17 (10 boxes)

Everything inside (25 pages)

- **14 student pages**: 12 goal prompts in 4 layouts, 1 word page, 1 goal tracker
- **9 pages** with sentence starters already printed
- **1 teacher log** (12 rows), **1 class grid**, **1 filled example**
- **1 family note** with three ways to help at home, **1 phrase bank**
- **1 binder cover, 6 divider tabs** and a spine label, cut along the dashed lines

What is not in here

There is no scoring and no rubric. A goal here is whatever the child picks: how big, how many steps and who helps is your call, and the log has a blank for it.

THANK YOU **BEFORE YOU GO**

THANK YOU FOR USING THIS RESOURCE

Everything here was built for the teacher who has a table of children who each need a different amount of support to pick a goal and write about it. If this helped, leaving feedback on TPT helps other teachers find it.
