EDITABLE FAMILY SURVEY FOR BACK TO SCHOOL

Terms of Use

Please read before you send your first questionnaire.

One classroom license

- This file is for one classroom: one teacher and the families of that class.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- It is a fillable PDF, not a slide deck. There is nothing to unlock: every line is already a type-in field.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit. The lines and boxes are sized for handwriting, and the pages still read when photocopied in black and white.

Keep family answers private

The class summary page lists families and their contact choices. Keep it on your desk, not in a shared folder. Follow your school's own rules for family information.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.
