PG MOVIE PERMISSION SLIP

Terms of Use

Please read before you print your first slip.

One classroom license

- This file is for one classroom: one teacher and the families in that class.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- Every line and box is already a type-in field. There is nothing to unlock.
- It works offline. No account and no internet connection are needed after download.

Print at 100 percent

Turn off fit to page and shrink to fit. The lines and boxes are dark, so the slips photocopy in black and white.

Keep family names private

Every slip holds a student's name and a family's signature. Keep the returned slips in a folder, and follow your school's own privacy rules.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.

Movie rules are yours to set

Your school or district decides which movies may be shown and what a family must sign. Use the blank lines on each slip to write that rule in your own words.

How to Use Your Slips

Five steps, a few print tips, and where to write your own words.

Five steps

1. Open the PDF in a reader. Click a line or a box and type. Press Tab to move on.
2. Type an X in one permission box. Type the movie title, the date and the return-by date.
3. Print on letter paper at 100 percent. The slips photocopy in black and white.
4. Save As before you print, so the blank file stays clean for the next movie.
5. Keep each returned slip in a folder, and write the return on the roster.

Print and cut tips

- Cut-apart sheets: teacher prep. Print, then cut on the dashed lines before the slips go home.
- Whole-year slips work for the whole school year. Use one per rating, or the letter.
- Blank note slip: use it for a movie that is not on the list, or for a reminder.

Where each part is

- The one-movie slip is page 6. The whole-year letter is page 7.
- The cut-apart sheets are pages 9 and 10. The blank note slip is page 11.
- The roster and roll-up are pages 13 and 14. Print the binder set (pages 17 and 18) on cardstock.
- The filled example is pages 19 and 20. It is invented, so use it to learn, then leave it.

Family names stay private

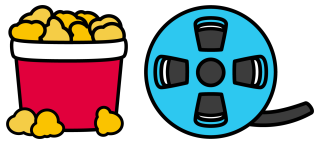

- The slips hold a student name and a family signature. Keep returned slips private.
- Do not post a returned slip, a roster or a name online.
