POINSETTIA CRAFT

# Poinsettia Craft Week — Start Here

Do one activity a day. Pull the page and go.

**This week**

- [ ] Start each day at circle time with the pictures and words on the vocabulary cards. Children love the repeat, and each day they join in more.
- [ ] Then do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **red** all week: point to it on the talker or core board every time it comes up during the day.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Color the petals red, the center yellow, the leaves green and the pot brown, then cut out every piece. Glue the pot and stem down first. Glue a leaf on each side of the stem. Glue the petals around the top of the stem so they touch in a ring, then glue the yellow center in the middle. Say what you made!
