What's inside

- **20 coloring pages**, one big picture to a sheet, in three levels (pages 3-22)
- **7 starting pages** ● big simple shapes (pages 3-9)
- **6 building pages** ■ more parts to color (pages 10-15)
- **7 ready-for-more pages** ▲ small patterns and details (pages 16-22)
- **A night train scene** to color (page 23), an **I believe bell** to trace and color (page 24), **My ticket** draw and write (page 25)
- A class tracker (page 26), a family letter (page 27), credits (page 28)

Three levels, marked with a shape

- ● **Starting** Few big spaces. The child traces the word (dotted letters).
- ■ **Building** More parts. The child traces the word, then copies it.
- ▲ **Ready for more** Small patterns. The child writes the two colors used.

The shape sits by the name line, not a number, so children are not comparing papers. Hand each child the level that fits today.

Ways to use it

- **Center or early finisher:** print a few levels, one page per child.
- **Whole group after a read-aloud or a movie day:** everyone colors the night train scene (page 23), then traces and colors the bell (page 24).
- **Pajama day or a train-themed week:** pages 25 and 27 make a take-home set.

What these pictures are

Night-train objects: a train engine, a passenger car, a coal car, a ticket with punch holes, a ticket punch, a sleigh bell with a ribbon, a ringing bell, a sign post, a cocoa mug, a conductor cap, tracks with pine trees, a pocket watch, the moon and stars, a pine tree and a present. Every picture is drawn for this pack with heavy clean lines and little solid black, so it prints light. No characters, no people, no pictures from the book or the film.
