THREE STEPS

1 Look at the Helper together

Page 6 is the one student page with the rule on it: 's shows who has something or who it belongs to. Read the three cards aloud with the child before the first page.

2 Pick a page type and a set

Five page types, easiest to hardest; the chart says which page for which child. Sentences come in three sets of six (A, B, C), and no word repeats across the practice pages.

3 Check it, record it, send it home

The answer keys are pages 23 and 24. Date each page on the tracker (page 25), roll the group up on page 26, and send the home page (28). A filled example is on page 29.

How to fill this in

Date each page the day it is finished, and write how many of its sentences the child got right with no prompt. A blank means not tried yet, never wrong. Answer keys: pages 23 and 24. Filled example: page 29.

THIS MONTH WE ARE WORKING ON

Maia R. is invented; nothing on this page describes a real student. The blank tracker is on page 25.
