FILL IT · CIRCLE IT · WRITE IT

by Bright Path Sped

One complete kit for the silent-e (CVCe) step: pictures to say, words to read and the magic e to write — every student answer is circled or written in pencil, so no student page needs scissors or glue.

THREE STEPS

- 1 **Look at Magic E together**
Page 7 is the one student page with the rule on it: a silent e at the end makes the vowel say its name. Read the four cards aloud, then let the child do the cover-the-e trick at the bottom.
- 2 **Pick a format and a set**
Five ways to practice, easiest to hardest. The chart below says which page for which child. Each picture format comes in three sets of six words (A, B, C), so a child never sees the same word twice in one format.
- 3 **Check it, record it, send it home**
The answer keys are pages 22 and 23. Date each word on the tracker (page 24), roll the group up on page 25, and send the home page (27). A filled example is on page 28.

WHICH PAGE, WHEN

WHEN...	USE...

Ready to spell the vowel and the e	Vowel + Magic E, pages 16, 17, 18
Ready to spell the whole word	Write the Word, pages 19, 20, 21
Writing a progress note or a note home	Team note, page 26 · phrase bank, page 29

Everything inside (32 pages)

- **14 student pages** in 5 formats: 3 sets of 6 words in each picture format, plus 16 word pairs on 2 pages
- **18 pictured words** (11 Noto, 7 drawn for this pack), a picture key and a Magic E Helper page
- **2 answer keys** generated from the same data as the pages, **1 tracker** (18 words) and **1 class grid**
- **1 team note, 1 home page, 1 filled example, 1 phrase bank**
- **1 binder cover, 6 divider tabs** and a spine label, cut along the dashed lines

How this is different from Silent E Cut and Paste

The Silent E (CVCe) Cut and Paste pack from this store sorts and glues. Nothing here is cut or glued on a student page; the work is filling in, circling and writing. Page 4 shows what each format asks.

WHICH WORD HAS MAGIC E? (PAGES 11, 12): RIGHT OUT OF 16, AND THE DATE

How to fill this in

Date each column the day the child gets that word right with no prompt. A blank means not tried yet, never wrong. Answer keys: pages 22 and 23. Filled example: page 28.

THIS MONTH WE ARE WORKING ON

Marcus T. is invented; nothing on this page describes a real student. The blank tracker is on page 24.

Which Word Has Magic E?, page 11: 7 of 8 right, dated 9/11.

How to read it

Marcus T. has done Add the Magic E for **12 of 18** words, Circle the Word for **9**, Vowel + Magic E for **5** and Write the Word for **3**. Ready for Circle the Word next: nose, cone, flute. Ready for Vowel + Magic E: cube, wave, kite, plane. Ready for Write the Word: bone, rope. Every number comes from the table above.

The family note this tracker would produce

“This month Marcus T. wrote the magic e for 12 words and has written whole words from a picture for 3 of them. Three pictures needed help with their names: the snake had its name said aloud, the rope was called ‘coil’ (the word bank helped) and the cube ‘block’.” — every fact in it is a row of the table above.

THANK YOU FOR USING THIS RESOURCE

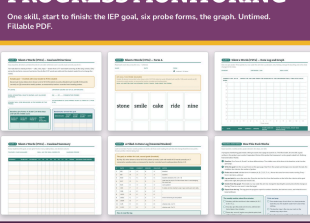

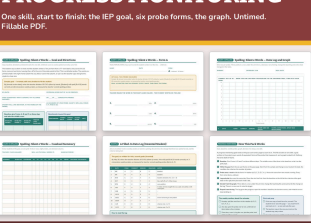

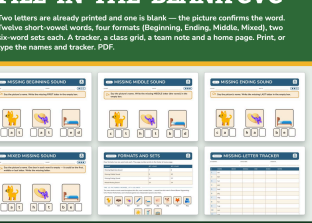

Everything here was built for the teacher who has a table of children who each need a different amount of support with the magic e. If this helped, leaving feedback on TPT helps other teachers find it.
