How to fill this in

One row for each child. Write the child's answer to each question, or what they colored. Then tally from this page on pages 11 and 12. There are 15 rows.

FAMILY NOTE

A NOTE HOME

FAMILY OF _____ FROM _____ DATE _____

A note home, written for you: fill the blanks, print, and send it in the folder with the snowman. Nothing here is a conclusion about a child; it says what happened and what to try.

This week in class

- We made snowman glyphs. Each part of the snowman shows an answer, so the snowman tells about the child who colored it.
- Your child's snowman has a _____ hat, a _____ scarf, ___ button(s), a _____ nose and _____ mittens.
- Your child told me out loud: _____.

Three ways to help at home

- Ask your child to read the snowman to you. "Why is the hat that color?"
- Ask the same questions at home: favorite color, how we get to school, pets, snow, winter food. Whose answers are the same?
- Tally the answers from your family on any sheet of paper and look at which one has the most.

Next step

- Next page: _____.
- Please send the page back on _____.
