Terms of Use

Please read before you print your first page.

One teacher or therapist license

- This file is for one teacher, speech-language professional or parent and the students they work with.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line, a box or a table cell, type, and Save As.
- The cards themselves are print-and-cut. The blank cards, the take-home page, the sound chart and the ring record have type-in fields.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit so the cards keep their size. Card sheets look best on white cardstock and last longer laminated.

What these cards are

A set of picture reminders with a nickname, the letters and a plain-word note about where the mouth goes. They are not a program, a screening or a record, and they choose no sounds for any child. You decide which sounds to use and how to use them.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update: re-download it any time from My Purchases.
