Our Spring Word Search

Date: _____

Dear family of _____,

This week our class has been finding spring words in word searches, fixing mixed-up words, and writing about what we see outside in spring.

Your child's puzzles are coming home. Each one has a shape beside the name line that tells you the level. A word search is practice with letters, spelling and looking carefully, and it is fine for a puzzle to take a while.

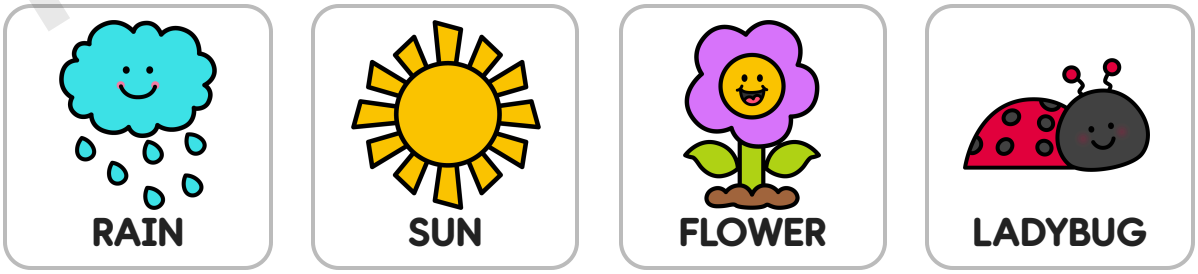

Try it at home

- Read the word list together, then ask your child to point to the first letter of each word.
- Look for a word in the grid with your finger before you circle it.
- Make your own: write 4 words from this week on paper, then hide them in a grid.

This week's words include: rain, sun, flower, ladybug. Look for these pictures in the puzzles:

Talk about it

- At dinner: "What is your favorite thing to do on a cold day?"
- In the car: "Can you spell one spring word for me?"

One thing our family likes to do in spring:

_____
