TELLING TIME CRAFT

Sun clock to cut and glue, with moving hands

HOUR + HALF HOUR

Bright Path Sped

Terms of Use

Please read before you print your first page.

One classroom license

- This file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it.
- Extra licenses for a team or a school are available on the product page.

This is a fillable PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into a line or a box, type, and Save As.
- The name lines, the answer blanks on the practice pages, the record page and the home note are type-in fields. The clock faces and the cut sheets are print pages. You can also print any page and write by hand.
- It works offline. No account, no subscription, no internet connection needed after you download it.

Print at 100 percent

Turn off fit to page and shrink to fit so the hands and cards keep their size. Print the clock face, the hands and the rays on cardstock if you can; copy paper works too. Every page is readable in black and white.

Need help?

If a field will not behave or a page will not print the way you expect, use Ask a Question on the product page before leaving a review. Every question is read, and a fix to the file ships as a free update.

© Bright Path Sped. For single-classroom use by the original purchaser.

PREVIEW
