THANKSGIVING ARTICULATION PAGES

TURKEY FEATHER COLORING

Thanksgiving Articulation: Start Here

What's inside

- **12 sounds** (P, K, T, F, B, H, L, W, S, D, R, G), words that **start** with the sound (initial position)
- **12 turkey pages**: a big turkey with a fan of feathers, one outline picture on each feather, **83 pictures** to color in all, every one labeled; five circles under each word and a line of 5 days to color
- **12 Say & Find pages**: a busy scene with the same words, each once, and 4 pictures from other sounds to skip; the child says a word 5 times, finds it and colors it
- A sounds-and-words list (page 3) and a colored-in example (page 4)
- A class tracker (page 29), a sound-folder organizer: binder cover, spine and 12 divider tabs (pages 30-34), a student practice chart (page 35), a family note (page 36), a what's-next page (page 37), credits (page 38)

Three steps

- 1. **Pick the sound.** You decide which sound and which words a child practices; follow your own plan. Pages 5-28: for each sound a turkey page, then a Say & Find page.
- 2. **Say it, then color it.** The child says a word five times, colors a circle for each time, then colors the picture on its feather. The circles are a place to count, not a score.
- 3. **Keep it or send it home.** The turkey page has a line of 5 days to color a star on and a spot for a grown-up's initials. The family note (page 36) has a blank for your plan.

Which page for which job

- **Center or early finisher**: the turkey page or the Say & Find page, one per child.
- **Homework**: the turkey page plus the family note; staple the two.
- **Small group**: everyone colors a different feather from the same turkey while you listen to the words.
- **Notes**: the tracker (page 29) shows which sounds each child has had pages for.

What this is, and is not

A print-and-color set of black-and-white pictures for speech and language practice, initial position only. Every word is a harvest, farm, autumn or Thanksgiving-table word. It has no assessment and no scoring, and it does not tell you how to teach a sound or when a child is ready; the district's rules and your own plan do that. The K page has words spelled with c (corn, carrot) and the W page has words spelled with wh (wheat, wheelbarrow), because the first sound is the same. Only the 12 sounds listed are in this set.
