THANKSGIVING PLACEMAT

Thanksgiving Placemat Week — Start Here

Do one activity a day. Pull the page and go.

This week

- [ ] Start each day at circle time with the pictures and words on the vocabulary cards. Children love the repeat, and each day they join in more.
- [ ] Then do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **pie** all week: point to it on the talker or core board every time it comes up during the day.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Color every piece, then cut it out. Glue the plate on the ring in the middle of the placemat. Glue the fork on the left of the plate and the spoon on the right, the cup above the spoon, and the napkin under the fork. Glue the turkey at the top, the pie under the plate and the corn beside the pie. Add the leaf, the pumpkin, and the thankful tag at the bottom after you write on it. Name each thing on your placemat!
