Read the same book every day. Do one activity a day. Pull the page and go.

This week

- ☐ Read *There Was an Old Lady Who Swallowed Some Snow* at circle time every day this week. Children love the repeat, and each day they join in more.
- ☐ After the story, do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- ☐ Teach the core word **cold** all week: point to it on the talker or core board every time it comes up in the story.
- ☐ Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- ☐ Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare:
 - starting (errorless matching), ■ building, ▲ ready for more.
- ☐ Print the color pages, or use the ink-saver pages at the back on a photocopier.
- ☐ **Day 5 craft:** Glue the old lady onto the snow first. Glue the snowflake inside the circle on her tummy. Then add her hat, scarf, mittens, boots and buttons. Glue the snowman, sled and penguin on the snow beside her.
