UGLY SWEATER CRAFT

Ugly Sweater Craft Week — Start Here

Do one activity a day. Pull the page and go.

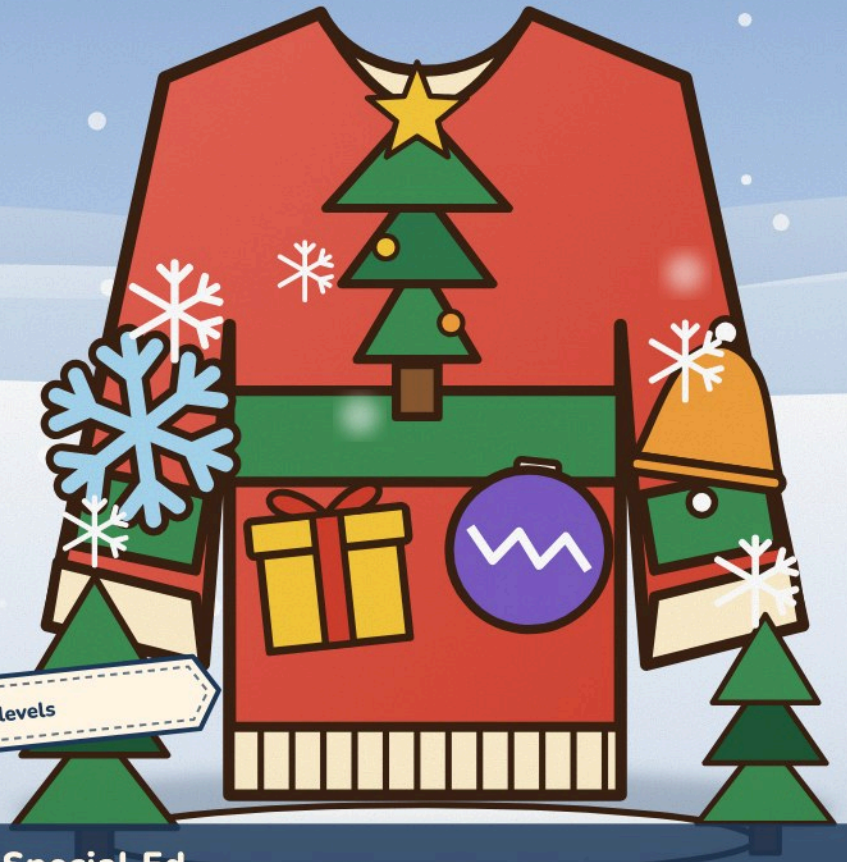

This week

- [ ] Start each day at circle time with the pictures and words on the vocabulary cards. Children love the repeat, and each day they join in more.
- [ ] Then do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **like** all week: point to it on the talker or core board every time it comes up during the day.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Color the sweater and all six pieces: the tree, the star, the snowflake, the ornament, the gift and the bell. Cut out every piece. Glue the tree on the middle of the sweater, then glue the star, the snowflake, the ornament, the gift and the bell wherever you like. Make it as bright and silly as you can! Name your sweater and say what you made.
