VALENTINES DAY CRAFT

# Valentines Day Craft Week — Start Here

Do one activity a day. Pull the page and go.

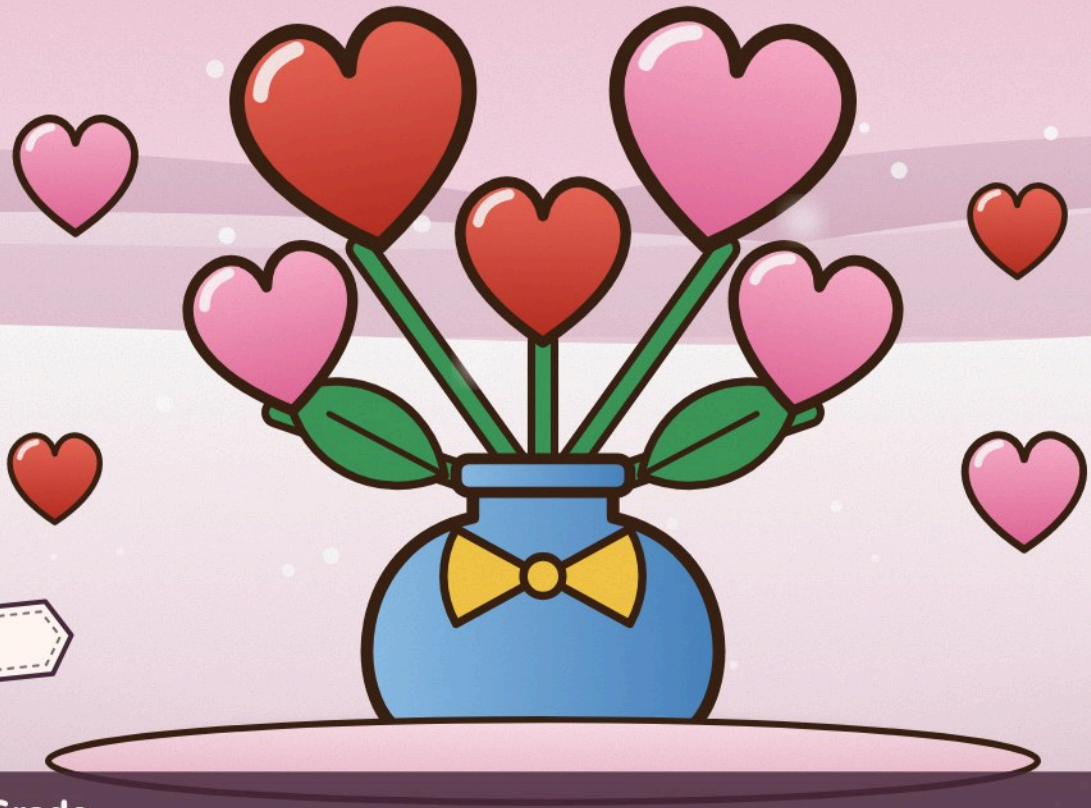

**This week**

- [ ] Start each day at circle time with the pictures and words on the vocabulary cards. Children love the repeat, and each day they join in more.
- [ ] Then do that day's activity. Every student page has one short direction and a picture, so a paraprofessional can run it too.
- [ ] Teach the core word **give** all week: point to it on the talker or core board every time it comes up during the day.
- [ ] Cutting pages are built for small hands: five or more big pieces, lined up so every cut is one straight line. Pre-cut them for students who are not cutting yet.
- [ ] Sorting, counting, letters and writing come in three levels, marked with a small shape so children do not compare: ● starting (errorless matching), ▪ building, ▲ ready for more.
- [ ] Print the color pages, or use the ink-saver pages at the back on a photocopier.
- [ ] **Day 5 craft:** Color the vase, the five stems, the five hearts, the two leaves and the bow. Cut out every piece. Glue the two big hearts at the top, the three small hearts in the middle, the leaves low on the stems and the bow on the vase. Stand it up or glue it to a sheet of paper. Say who you will give your bouquet to!
