Our Vowel Team Word Search

Date: _____

Dear family of _____,

This week our class has been finding words that use vowel teams: two letters that work together to say one sound, like ai in rain.

Your child's puzzles are coming home. Each one has a shape beside the name line that tells you the level. A word search is practice with letters, spelling and looking carefully, and it is fine for a puzzle to take a while.

Try it at home

- Read the word list together, then ask your child to point to the vowel team in each word.
- Look for a word in the grid with your finger before you circle it.
- Make your own: write 4 words with a vowel team on paper, then hide them in a grid.

Our teams are ai, ay, ee, ea, oa, ow, oo and ou. Look for these pictures in the puzzles:

Talk about it

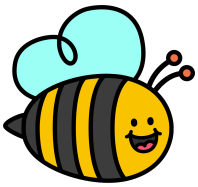

- At dinner: "Can you think of a word with ee in it?"

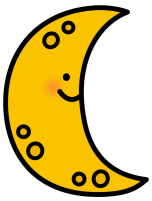

SNAIL

BOAT

BEE

MOON
