# Terms of Use

Please read before you print your first page.

## One classroom

- This free file is for one classroom: one teacher, one group of students.
- Please do not share it, post it online, or sell it. Send other teachers to the product page to download their own.

## This is a PDF

- Open it in a PDF reader (Adobe Acrobat Reader, Preview, or your browser), click into the name line, type, and Save As.
- The writing lines are for pencil, so print the pages you need.
- It works offline. No account, no subscription, no internet connection needed after you download it.

## Print at 100 percent

Turn off fit to page and shrink to fit so the lines stay the size small hands need. Every page prints in black and white on plain paper.

## Student work

Keep a child's finished pages in their own folder. Use a first name only on any page that leaves your hands.

## Need help?

If a box will not behave or a page will not print the way you expect, use Ask a Question on the product page. Every question is read, and a fix to the file ships as a free update.
